Program for Educators in Health Professions
Gain the skills and insights required to become a leader in your institution, informed by deep reflection on the central questions and assumptions driving healthcare education today.

A Systems Approach to Assessment in Health Professions Education
Prepare to develop and lead a data-driven assessment strategy that harnesses the right information to power decision-making and improvements to enhance your institution.

Leading Innovations in Health Care & Education
Collaborate with colleagues across disciplines to develop approaches and action plans to help you lead and manage change in your institution.

Become a Digital Citizen: Technology in Health Care Education
Learn to use new technologies in an appropriate manner to create better learning environments, materials, and networks.

Program for Post-Graduate Trainees: Future Academic Clinician-Educators
Enhance both your teaching and learning skills and your scholarship as a future academic clinician-educator in this 3-day intensive program for post-graduate residents and fellows.

Become a Digital Citizen: Technology in Health Care Education
Learn to use new technologies in an appropriate manner to create better learning environments, materials, and networks.
The program consists of two sessions in residence at Harvard: a 10 day winter session and a 6 day spring session. Learning formats include large group presentations; interactive exercises; problem based learning; observations; reflective use of journals; discussions in large and small groups. A variety of faculty facilitated small group formats are used to support learning from observations, to draw together scholars with common interests, and to further the development of each scholar’s back home project for educational change.

MEETING LOCATION

The program met at Harvard Medical School, Boston, Massachusetts at the Joseph B. Martin Conference Center, 77 Avenue Louis Pasteur, Boston, MA.

ACCREDITATION

Harvard Medical School designates this live activity for a maximum of 64.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Royal College of Physicians and Surgeons of Canada recognizes conferences and workshops held outside of Canada that are developed by a university, academy, hospital, specialty society or college as accredited group learning activities. Through an agreement between the American Medical Association and the European Union of Medical Specialists, physicians may convert AMA PRA Category 1 Credits™ to European CME Credits (ECMECs). Information on the process of converting AMA PRA Category 1 Credits™ to ECMECs™ can be found at: www.eaccme.eu.

ACGME

The course is designed to meet the following Accreditation Council for Graduate Medical Education competencies:

- Systems-based practice
- Professionalism
- Interpersonal and communication skills
- Practice-based learning and improvement
- Interpersonal and communication skills
- Professionalism
- Systems-based practice

Graduate Medical Educational competencies:

- Systems-based practice

OBSERVATION

The goal of the Harvard Macy Institute Program for Educators in Health Professions is to enhance the professional development of physicians, basic scientists, and other healthcare professionals as educators. The program is built around 6 major themes: teaching & learning, curriculum, evaluation, leadership, educational research and information technology. Competent clinical faculty can find it challenging to step into the role of teacher, especially if they don’t have a background in education. The next generation of learners needs the capacity to discriminate vast amounts of information & extract & synthesize knowledge that is necessary for clinical and population-based decision making. These developments point toward new opportunities for the methods, means, and meaning of education. The program provides a select group of those involved in training the next generation of healthcare providers with the knowledge base and skills to enhance their expertise in conducting an educational project of their own design and taking a leadership role in the educational activities at their home institutions.

LEARNING OBJECTIVES

Upon completion of this course, participants will be able to:

- Evaluate how adults learn and incorporate teaching strategies and other methods that enhance learning
- Identify the elements of effective curriculum design and plan strategically for curricular change
- Identify leadership styles that increase the likelihood of acceptance to change
- Develop organizational plans strategically for educational innovations in your institution
- Develop skills to deal productively with conflicting responses and resistance to change
- Incorporate the educational innovations designed within your organization
- Evaluate the success of your innovative educational project
- Report the effectiveness and success of your educational innovation to your organization

TARGET AUDIENCE

- Physicians
- Nurse Practitioners
- Physician Assistants
- Nurses
- Pharmacists
- Dieticians
- Psychologists
- Social Workers
- Other Mental Health Professionals
- Complementary & Alternative Medicine Practitioners
- Researchers (PhDs)
- Any faculty involved in training healthcare professionals

DISCLOSURE POLICY

Harvard Medical School (HMS) adheres to all ACCME Essential Areas, Standards, and Policies. It is HMS policy that those who have influenced the content of a CME activity (e.g. planners, faculty, authors, reviewers and others) disclose all relevant financial relationships with commercial entities so that HMS may identify and resolve any conflicts of interest prior to the activity. These disclosures will be provided in the activity materials along with disclosure of any commercial support received for the activity. Additional faculty members have been instructed to disclose any limitations of data and unlabeled or investigational uses of products during their presentations.

REFUND POLICY

Refunds, less an administrative fee of $80 ($75 fee plus a $5 HMS-CME processing fee) will be issued for all cancellations received two weeks prior to the start of the course. Refund requests must be received by postal mail, email, or fax. No refund will be issued should cancellation occur less than two weeks prior. “No shows” are subject to the full course fee and no refunds will be issued once the conference has started.

INQUIRIES

By phone (617-535-6483), Monday to Friday, 9 am to 5 pm (ET) or by email at: harvard_macy@hms.harvard.edu

REGISTRATION

Course tuition is $5,905. An additional $5 HMS-CME processing fee. Applications for this course are made through our website: http://www.harvardmacy.org/index.php/hmi-courses/educators. You will be notified of your acceptance into the course, from the Harvard Macy Institute, within a few weeks of the application deadline. Details for payment will follow after your acceptance email. Once you make your course payment, a confirmation from the HMS-CME office will be sent to you. Be sure to use an email address that you check frequently. Your email address is used for critical information including registration confirmation, evaluation and certificate.

PROGRAM FOR EDUCATORS IN HEALTH PROFESSIONS

January 8-18 and May 15-19, 2017

Registration fee: $5,905.00. Additional processing fee: $5.00. Travel and accommodation are the responsibility of the participant.

ACCOUNTING TRAVEL

Please do not purchase non-refundable airline ticket(s) until you have received an email from HMS office confirming your paid registration.

Please do not purchase non-refundable airline ticket(s) until you have received an email from HMS office confirming your paid registration.

“Brilliant presenters, fantastic lectures, a dedicated group of peer educators to network with. What a great opportunity to focus on medical education”
